

-Thirty Years-

"How do you pronounce it? Urr.... Uradilla?"

"Yeah? Where's that?"

"Never heard of it."

"Can you draw us a map of how to get there?"

"Isn't that somewhere out near Mt Pleasant?"

"Used to drive through there on my way to the Oakbank races..."

"My grandfather was an Italian farm worker prisoner of war in the 1940s there.

I've never been."

"We're a bit early I'm afraid. Thought it would take much longer to get here."

"Never heard of it."

"Never heard of it."

"I know Uraidla! Fabulous little place."

"We were there last week. We just loved it"

"Didn't realise it was so close to town."

"We wanted to go to Uraidla for my birthday next week. It's full. We've waitlisted."

"If you hear of any places for sale up there, will you give us a heads-up."
